

AP WORLD HISTORY
2017 SUMMER ASSIGNMENT

Dear Parents and Students,

All students enrolled in AP World History at Trinity Catholic High School for the 2017-2018 school year are required to complete the summer assignment. This assignment will preview Key terms, locations, people, and events that will come back up throughout the year. It will help give students an idea of how the course will go and help them to have a foundation when we start the course.

The summer assignment consists of three sections that will count as a summative assignment for the class. The summer assignment will be turned in **handwritten** on the **first day of class** in August. Students who do not turn in the summer assignment on the first day will receive at most a 70% on the assignment. The assignment should be **printed out** and **handwritten**. If students come to me before the summer break, I will supply them with a paper copy.

The assignment will be posted to a Google Classroom specifically for the Summer Assignment. The classroom is called “Chitty AP World History Summer Assignment” and the code is **bsk1lha**. Students must use their **TC email** to sign into the Google Classroom. Everything needed to complete the assignment can be found on the Google Classroom.

If there are any questions before we leave for summer break, I can be reached at jchitty@tchs.us. Enjoy your summer, I look forward to seeing all of you in the fall.

Have an enjoyable summer,

Joey Chitty

p.s. I also suggest you purchase the Barron’s Guide to AP World History. It offers a very useful summary of the course concepts that will help throughout the course and for the AP Test in May. The guide can be found online at Amazon and in-store at Barnes and Noble.
