

Trinity Catholic High School – 2017-2018 Summer Reading List

ALL students, regardless of grade, are to read one book of their choosing from their fall grade level. Failure to do the reading will adversely impact their course grade. Students should be prepared for an assessment on the novel of their choice during the second week of school.

These books are available at public libraries, may be purchased at local bookstores, or downloaded onto electronic reading devices. **Please read a summary of the book before purchasing the text. Some of the books listed contain mature content. If you are not comfortable with your student reading books with mature content, please feel free to choose a different title.**
