Uniform Policy

Uniform Policy

The uniform policy at Trinity Catholic High School is designed to enhance school pride, unity, and community spirit. Uniforms allow students to place their focus on education and the development of moral values, while supporting the dignity of the individual based on character rather than appearances. Students are expected to present themselves each day in a manner that reflects our investment in education and affirms our community values. Anything deemed distracting to the learning environment will be in violation of these expectations and values of Trinity Catholic High School.

Students are expected to observe the school uniform policy from the moment the student steps on campus until the conclusion of the school day.

Any student that reports to school with a uniform infraction will be sent to the office of the Dean of Students and will be reported as a Level 1 Offense. If appearance is deemed unacceptable, the student may be sent home and reported as an unexcused absence for the classes missed.

The administration of Trinity Catholic High School reserves the right to make any and all judgments on matters not explicitly outlined in this uniform policy, the acceptability of a hairstyle/color, and to assess the acceptability of a student's appearance. The following is the Trinity Catholic High School uniform. Anything that does not conform to these standards is not acceptable. If any item is not listed, it may not be worn.

It is the responsibility of each student and parent/guardian to read, understand, and abide by the Trinity Catholic High School Uniform Policy. The administration reserves the right to alter or amend this Uniform Policy at any time. Should changes be made, the changes will be communicated to parents/guardians and students.
