Advanced Placement/Dual Enrollment

These classes provide an additional challenge to those students who possess a high level of responsibility, are capable of independent work, and exhibit highly-developed thinking skills. Any student taking an advanced placement course must take the AP exam in May. TCHS uses a 0.0 to 5.0 weighted cumulative GPA Scale. The difference in these course offerings is not necessarily content, although some adjustments are made in the reading level of the textbooks used. The primary difference is the pace at which material is presented. Most courses are college preparatory.
